** WINTER REMINDERS **

--**Snow Removal**- State and City Code prohibit property owners from moving snow from private property or sidewalks onto the street. Doing so creates hazardous driving conditions upon the roadway.

--**Sidewalk Snow Removal**- City Code states that it is the responsibility of the abutting property owners to maintain a safe and hazard-free condition of any sidewalk outside the lot and property lines and inside the curb lines or traveled portion of the public street. This includes where the sidewalk flows into the street at intersections. Maintaining safe paths to the churches and to the elementary school is important for everyone’s safety. Please scoop the snow off your sidewalks so they are safe for pedestrian travel, especially for the children and elderly within our community.

--**Fire Hydrants**- If you have a fire hydrant on your corner or near your property, the Fire Department is asking for your help. If possible, please take the time to scoop the snow away from the hydrant in case of an emergency. Doing so will save the department valuable time during an emergency situation.

--**Snowmobiles**- Please remember that snowmobiles are not allowed to drive on private property unless you have the permission from the property owner. Please remain on the public road right of way when riding in and out of the city limits. Snowmobiles are not allowed in the city parks, on playgrounds, sidewalks, or on any municipally owned property.

--**Parking Restrictions**- there is no overnight parking on Boyden City streets November 1 through April 1. Vehicles left overnight on city streets during this time will be ticketed.

--**Extra Weekly Garbage**- Do you find yourself having extra garbage or recycling weekly? If so, don’t forget you can purchase an “Extra Garbage Tag” from the City Office for \$1/tag. Each tag will be the equivalent of one-35-gallon garbage can OR two garbage bags. You are NOT limited to one tag per week. If you have a 60-gallon garbage can, but feel you’d like to exchange it for a 95-gallon can, please contact O.C. Sanitation at 737-2645 and make arrangements with them to make that switch. This extra charge will show up on your water bill.
